FACE FRAMES

Constructed from 3/4" hardwoods. Base and wall frames have 1 1/2" stiles and rails. Base cabinets have a 1" reveal at the top. Bottom and sides have 1/4" reveal.

DOORS

Premium full overlay door styles with soft-close door hinges. Stained doors are solid hardwood and painted doors are MDF.

PANELS

Constructed from 1/2" plywood with option for finished ends. Ends, tops and bottoms are captured in frame grooves. Backs are captured in end panel grooves.

SHELVES (not shown)

Constructed from 3/4" plywood and finished on both sides. Base shelves are half-depth adjustable at 2 1/2" increments. All secured for shipment with locking shelf clips utilizing 1/4" diameter dowel.

HINGES

6-way fully concealed 108° self-closing cup hinges that allow easy height, width, and depth adjustment are standard.

CABINET INTERIOR

Sealed with clear-coat finish. Finished Interior option may be selected on wall, base and tall cabinets up to 24" deep.

BACKS

For ease of installation, the backs are solid 1/2" plywood. Base cabinet backs extend to the floor providing optional structural stability.

DRAWERS

EuroBoxes are 5/8" thick hardwood plywood with dowel construction. Option to upgrade to dovetail construction. Both options are clear coated and bottoms are fully captured plywood. Glides are under mount, full extension soft-close.

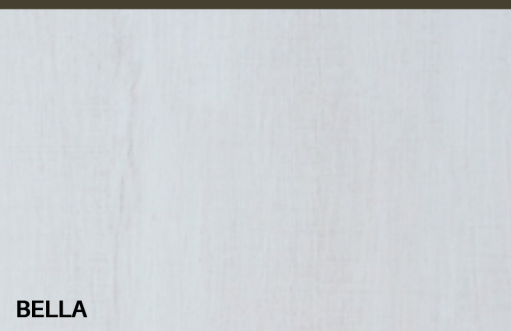

TOE KICKS

Constructed from 1/2" unfinished plywood. They are inset into the cabinet box 3 1/2" and are 4 1/2" high. Toe Kick Material (TKS) is required to finish the toe kick space.

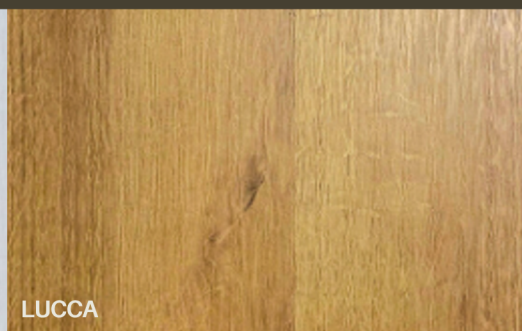

ROLL OUT TRAY & PILASTER KIT (optional)

EuroBox (standard) or dovetail upgrade option for roll out tray box with undermount glides. Pilasters are installed at each corner of base cabinet (pantries get 2 sets of pilaster kits) with slots for approximate 1" height
